Message from the Manager

Swim Safe is very proud to again have taken part in Swim Australia's national initiative 'SwimSAFER' week. 'SwimSAFER' week saw us focusing on age appropriate water safety and survival skills with a water hero theme, with a take home message "NEVER SWIM ALONE." We were so excited to see our swimmers taking part, and that our program reflects this with our deep-water merits including a fundamental survival component for treading water. We would like to congratulate all swimmers who achieved their special certificate for taking part. If you have not collected your certificate please see our Pool Supervisor or collect from the desk. To view some of the photos from the week check out our new Facebook page. We have added a link to our Facebook page via our website home page, just click on the 'Like us on Facebook' image to be directed to the page. To all our valued Swim Safe families on Monday the 12th December our fees will increase by 50 cents per lesson. These increases are our first since April 2015, and apply to Term 1 2018 fees. Fees for a third swimmer and second-class will increase to \$8.00 per lesson, this discount has remain unchanged since 2013, and still remains less than half the price of a main lesson. As we near the end of the 2017 swimming year we would like to thank all of the families participating in our swim program. We wish you a Merry Christmas and look forward to teaching your children in 2018.

Timetable

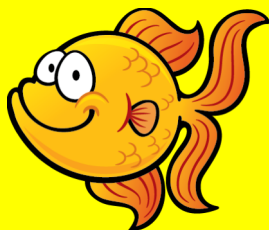

We currently run swimming classes 6 days a week, and we now have our 3 lanes for squads on Tuesdays from 5.35pm and Thursdays at 6.05 pm. We have also added additional Starfish Class times to allow for a decrease in class numbers to 5 swimmers. A new year does bring opportunity to review our current schedule and provide additional class times that will provide families with increased flexibility and ability to book make-up lessons. Sundays, commencing term 1 2018 we will provide additional turtle classes, and all shallow water class levels from 8.30 till 11 am. Our Sunday Squad will start at 11.00 am, we apologise for any inconvenience caused due to this change.
